Hi Pete,

Monica, my board president, asked if we could set up a brief meeting with you -ideally Monday afternoon (5/18) next week - to discuss some of the buzz in the community about 47 licenses and timeframes (10, midnite, 2 a.m.) for liquor sales. There has been some misinformation floating - the BID does not take a position, as you know. But there are members of the BID who may have divergent opinions, and we just want to make sure we understand your position and can communicate it to people who ask us.

We also want to be prepared because we have a project coming in to present FYI to the board next Thursday, and apparently they have an active application pending.

Would you be available Monday afternoon - we could come to you.

Many thanks

Kerry
